

The Rush of Immigrants

Old Immigration vs New Immigration

Ellis Island

Europe

Angel Island

Asia

Ellis Island "six-second physical." A uniformed doctor looked for any signs of illness or contagious diseases. The doctor marked the immigrants who posed a health risk with chalk for further examination.

X	Suspected mental defect	F	Face	P	Physical and Lungs
⊗	Definite signs of mental disease observed	F+	Feet	P ₃	Pregnancy
B	Back	G	Golter	Sc	Scalp (Favus)
C	Conjunctivitis	H	Heart	S	Senility
CT	Trachoma	K	Hernia		
E	Eyes	L	Lameness		
		N	Neck
