

Concept Claim Information Organizer

IMPERIALISM

(underlined words and phrases represent critical characteristics)

- a) a policy of extending a country's power and influence through colonization, use of military force, or other means;
- b) a process by which one state, with superior military strength and more advanced technology, imposes its control over the land, resources, and/or population of a less developed region
- Type 1 - Regressive Imperialism: identified with pure conquest, unequivocal exploitation, extermination or reductions of undesired peoples, and settlement of desired peoples into those territories.
- Type 2 - Progressive Imperialism: promotes the spread of civilization to allegedly backward societies to elevate living standards and culture in conquered territories, and allowance of a conquered people to assimilate into the imperial society
