4 Types of Slave Resistance

1. Infer: why was the legal petition option not utilized very often?
2. Compare the numbers of slaves who joined the military during the Revolution versus the number who ran away in the years 1800 - 1865. The percentage is the same, but the time period is vastly different. What other information do we need to understand these numbers?
3. Group Discussion: After reading the primary source accounts of each type of slave resistance, talk in your group about which option you think would be the most effective method to resist slavery. Be able to support your choice with text-based evidence and reasoning.
