Questions:

1. Rank the top two and bottom two types of propaganda based on effectiveness. Explain your rankings
2. Pick a propaganda technique and watch the corresponding video. Provide 2 pieces of evidence from the video that support why this video fits under that style of propaganda.
3. Create a propaganda cartoon, poster, commercial, etc. that uses at least one of the propaganda techniques. Provide a rationalization of your product that both explains the propaganda technique(s) chosen AND why you feel it would be effective.
